Important Notes

- ❖ Prices are tax exclusive. An 18% Value Added Tax (VAT) will be applied to invoices in accordance with Ugandan law.
- ❖ Each participant will be assigned one free IP address. Communications House customers receive 2 RU and power free of charge.
- ❖ The 8% annual billing discount does not apply to the first 6 months of service for Raxio customers due to the 25% discount.
- ❖ Academic and non-profit networks qualify for a 50% discount on MRC related to port fees.
- ❖ Existing participants do not need to pay NRC for new services except for 100 Gbps ports.
